2016 Tournament Information Packet

Welcome to Tri-County Country Club

Dear Golf Outing Director:

Thank you for considering Tri-County Country Club for hosting your golf outing. Tri-County is one of the area's oldest and most prestigious courses. We here have a very loyal following, having been rated as a 4 star golf course by Golf Digest, as well as having been voted Western New York's Best Public Course by the Buffalo News. The staff here is extremely helpful in all aspects of the business, and we are confident that this course will provide you with the perfect setting to make your golf outing a success.

Opening in 1924, this hidden gem located in the small town of Forestville, NY is an 18 hole facility, featuring some of the fastest and most challenging greens in the Western New York area. The rural setting provides golfers with picturesque scenery along the way and uses nature's natural hazards to provide a fun and challenging golf experience. Along with an 18-hole layout, Tri County's amenities include a driving range with grass tee lines, a putting green, a fully stocked pro shop, and a full service restaurant and patio. Our staff at Tri County has hosted many tournament outings and we are committed to making yours a success.

My job as the Head Professional is to provide you with the support you need to make this outing memorable and easy on you. Whether I am assisting you with preparation prior to the event, during the event, or after the event, I can assure you I will do my absolute best to make your outing run smoothly.

In 2016 we have revamped our food offerings to simplify the selection process, while continuing to serve fresh, top quality food.

On behalf of my entire staff, thank you very much for considering Tri-County Country Club for your outing. I look forward to working with you and your group.

Sincerely,

Daniel Rettig

Your Perfect Choice

Why Choose Tri-County Country Club? We feel that the choice is simple and here are a few reasons why:

The Golf Course

Your golfers will love this course and the outstanding condition it is in! We have a large and loyal following that have been calling Tri-County home for almost 90 years. Being voted a 4 star course by Golf Digest, and Western New York's Best Public Course, we have a long tradition as one of the area's best kept secrets.

Low Cost

We have golf and food packages starting at just \$55.00 per person. Outings and organizations can keep their entry fees affordable and still get a great value at a great course.

Organization

We know how much effort it can be to plan a tournament and we are here to help your outing in any way we can. We can help you leading up to the tournament as well as the day of the event.

Pro Shop Credit Allotment

As part of your outing \$5.00 per person goes into a pro shop credit pool to be used by the outing director as he/she sees fit. For example, if there are 100 people paid for, \$500.00 can be used towards merchandise prizes or pro shop gift certificates

Food

Top quality food prepared by the people of Tri-County Country Club. To make changes or discuss food packages please contact 716-965-2053.

Accommodations

We can accommodate most large groups. Having a large cart fleet allows us to accommodate a full field shotgun event of up to 80 players. Additional carts can be rented as needed.

Tournament Rules and Regulations

All group golf outings must adhere to the following set of rules:

Event is confirmed once the Group Golf Agreement has been signed and the deposit of \$100.00 has been received. If the agreement is not returned to Tri-County Country Club within 8 days of receipt, the outing can be cancelled.

A deposit is due along with the signed Group Golf Agreement. To confirm and hold the date, a deposit of \$100.00 is due to the course.

Guarantees

- Guaranteed number of golfers should be confirmed at least 3 days before the outing
- Final team pairings should be given at the same time (3 days in advance)

Inclement Weather Plan

In the event that the course is deemed unsuitable for play, the outing will not be billed any golf fees and the deposit will be returned. You may still eat and do any raffles if you choose to do so.

- If any of the group has completed 4 -12 holes, the group will be responsible for all players at 50% of the contracted rate

Helpful Planning Tips

We would like every tournament to be a successful one. Over the years we've learned a little bit about what separates a successful tournament from an unsuccessful one.

Communication

Communicating the rules and regulations for the event ahead of time is essential. Two main points of emphasis are the dress code and the law prohibiting golfers from bringing their own alcohol on site. We ask that these rules be communicated ahead of time in order to eliminate unnecessary issues on the day of your event. Along with verbal communication, by simply putting these rules on the flyers and signup sheets you can easily get the word out.

Maximize Participation

Participation is the most important factor in the success of a tournament. In order to generate the most revenue you need players. By starting your planning early you will give potential players plenty of notice for the event so that they can plan accordingly. You also want to call out to your potential players, as it is much easier to ignore an email or say no in a text than to speak directly to your golfers. Lastly, getting golfers to pay ahead of the tournament. If a golfer pays ahead of time it's far less likely they will no-show your tournament, and it's also much easier on your bottom line.

Format

Choose a format that best suits your event. Ask yourself, what is the purpose of the event? If the event is competitive the format will be different than if the objective is just pure enjoyment.

Some popular formats include:

- **Scramble**- This is the most popular format in team play competition. Each player will tee off. From there the team will choose the best shot and all four players will play from that spot. This process will continue each shot until the ball is holed. Therefore the team will have only 1 score per hole. This format is good for golfers of very mixed skills.
- **Shamble**- This format combines a scramble and a best ball format. Here, players all tee off and select the best tee shot. After the players pick, everyone in the group drops a ball at that location and plays their own ball until it is holed.
- **Best Ball**- This format can be played with 2-4 players on a team. Each of the players will play their own ball from tee to green. The best score on the hole is then recorded as the team's score.
- **Individual Stroke Play**- Each player will play their own golf ball for 18 holes and turn in one scorecard. This format is generally good for golfers of the same skill level.

Sponsors:

Try to get sponsors, as this is a great way to fund the event and generate some income. Sponsorship can start with hole sponsors and go on from there. Sponsorship opportunities include, but are not limited to, carts, lunch and dinner, hole-in-one, and contest sponsors. Donations for raffles or silent auctions can also generate revenue in successful outings.
